# Michele Kempinsky

Full-Stack Jr. Software Developer

San Diego, Ca
(360) 201-7468
mkempinsky@icloud.com

## Objective

Seeking to utilize my development skills and talent for design. It is my goal to pair with a company that is passionate about development, in both software and team members.

## Education

**Origin Code Academy** San Diego, Ca — *Certificate*

AUGUST 2016 - OCTOBER 2016

Origin Code Academy is a top coding bootcamp in San Diego that teaches the fundamentals and best practices of full stack web development in 12 weeks. Core focuses in the class include client-side development using HTML5, CSS3 and AngularJS, server-side development using .NET 4.5, C#, ASP.NET Web API, Entity Framework and SQL Server, with a secondary focus on full-stack JavaScript development using the MEAN stack.

**Bellevue College** Bellevue, Wa — *Associate's Arts Degree in Interior Studies*

JANUARY  2011 - MAY 2014

Accredited degree in Interior Design studies. Coverage of both implementing architecture, design concepts and technologies.

## Work Experience

Throughout my work experience in customer service I've obtained numerous valuable skills transferable into my professional developer career. Working in **fast paced** environments to provide **quality** customer service while working alongside many other individuals and **teams** have provided me with a toolset to carry on into any career. **Attention to detail**, **time management**, **multitasking**, and **overall professionalism** are all qualities I have found have helped me been successful and will continue to do so in the future.

**Old Venice Restaurant**  San Diego, Ca — *Server* — SEPT 2015 - PRESENT

**Earls Kitchen and Bar** Bellevue, Wa — *Server / Bartender* — SEPT 2011 - AUG 2015

**Tully's Coffee** Bellevue, Wa — *Barista* — MAR 2011 - APR 2012

**Friends & Family Childcare** Ferndale, Wa — *Assistant / Preschool Teacher* —

OCT 2007 - DEC 2010
